The FEI World Equestrian Games™ 2018 in Tryon are open to all National Federations (NFs) who are members of the Fédération Equestre Internationale (FEI). All persons traveling to the FEI World Equestrian Games™ 2018 in Tryon from countries without visa-waiver agreements with USA must obtain visas. The OC encourages that all visa applications be made to the USA Consulate/Embassy of their country, as early as possible. US Government officials have been notified of this upcoming event and are aware that visa applications will be submitted for this purpose.

All travellers entering the United States under the visa waiver program are required to hold a valid ESTA travel authorization. This may be obtained by visiting https://esta.cbp.dhs.gov/esta/ and selecting the application tab and your specific country. Should you require assistance in regards of visa applications please contact the Organizing Committee at visas@tryonweg.com.

7 Rules for Participations

7.1 General Conditions

Rules for Participation: For further information, see under respective discipline.

As soon as NFs have presented their entries, all Chefs de Mission, Chefs d’Equipe, Athletes, also on behalf of the Horse owners, as well as their employees/grooms, representatives and accompaniments are requested, upon arrival at the venue, to acknowledge and keep within the FEI Code of Conduct and all applicable FEI rules and regulations, including but not limited to the FEI Equine Anti-Doping and Controlled Medication Regulations and FEI Anti-Doping Rules for Human Athletes, as well as to behave according to ethical principles in common practice. Violations will be dealt with by the respective Ground Jury or Appeal Committee or FEI Tribunal depending on the nature of the violations. All Athletes and Chefs d’Equipe must sign the Code of Conduct and Athlete Waivers. Chefs d’Equipe are required to submit the signed copies of the FEI Code of Conduct for Welfare of the Horses and Athlete Waivers to the National Federations Desk upon arrival. 7.2 FEI Code of Conduct for Welfare of the Horse

The Fédération Équestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI’s Code of Conduct and to acknowledge and accept that at all times the welfare of the Horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition Horses, welfare must take precedence over all other demands. This includes good Horse management, training methods, farriery and tack, and transportation.

2. Horse and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and misuse of aids.

3. Events must not prejudice Horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the Horse for onward travel after the event.

4. Every effort must be made to ensure that Horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.

5. The FEI urges all involved with the sport to attain the highest levels of education in their area of expertise.

The long version of this Code can be obtained from the FEI’s website: www.fei.org.

9 Liability & Insurance

To the greatest extent permitted by law, the OC and the FEI declines any liability for property or pecuniary damage which may happen to visitors, Athletes, grooms and Horse owners except where caused by the gross negligence or reckless disregard of the OC, the FEI, their delegates or their assistants. The OC and the FEI also declines any liability for theft, fire or other incidents except arising from the gross negligence or reckless disregard of the OC, the FEI or their delegates or assistants.

By making the Definite Entries, each Athlete declares that he/she has taken notice of the schedule and exclusion of the liability as set out in the schedule and that the Athlete explicitly agrees therewith. All Athletes are required to sign the waiver and Chefs d’Equipe are required to submit the form to the National Federations Desk upon arrival. (See Appendix 2)

Insurance

Third-party insurance
All Chefs de Mission, Chefs d’Equipe, Athletes, owners, trainers, team veterinarians (see FEI Veterinary Regulations art. 1106) and their accompaniments may be held personally responsible for damages to third persons caused by themselves, their employees/grooms, their agents or their Horses. They are therefore strongly advised to take out third-party insurance providing full coverage for participation in equestrian events at home and abroad, and to keep this policy up to date. The OC/FEI will NOT be responsible for any damage caused by Athletes, their Horses, NF officials, their employees/grooms or their representatives.

10 Medical

10.1 Medical Services

Medical services will be available on the venue from the day the first horse arrives at the venue through the day the final horse leaves the venue. Medical services are provided at the Athlete/NF’s expense. The OC will provide initial emergency first-aid treatment. Any additional treatment will be at the cost of the NF. The OC strongly recommend all participants have medical insurance in the event of accident or illness.

Participants’ security and health are paramount to the OC. Dedicated Medical Services will be available to NFs for common treatments and emergencies, on days stables are open.

Management of injuries, including transfers to local pre-identified hospitals will be dealt with by the US Medical Authorities, who will be permanently on-site. We advise all NF delegates to contract their own insurance to cover any additional medical costs that may be incurred on US territory.

In order to provide the best possible care, a medical form will need to be completed by all Athletes and will be kept confidential by our Medical Services.

10.2 Human Anti-Doping

Human Anti-Doping testing will be conducted in compliance with the FEI’s Anti-Doping Rules for Human Athletes (ADRHA), the WADA Code, and WADA’s International Standards.

11 Veterinary and Farriery

Veterinary and farriery services will be available on the venue from the day the first horse arrives at the venue through the day the final horse leaves the venue. Veterinary and farriery services are provided at the Athlete/NF’s expense. A further note will be communicated to NFs in due course to inform NFs/Team Veterinarians more precisely on veterinary and farriery services.
11.1 Veterinary Services

**Joint Veterinary Services Managers:**

Dr. Anne Baskett and Dr. Bill Hay, abaskett@tryonweg.com

The following equine clinic has been identified for the period of the Games to send Horses if needed:

Tryon Equine Hospital  
3689 Landrum Road  
Columbus, NC 28722

Designated treatment boxes will be located in the vicinity of each discipline's stables compound where supportive treatments may take place with the permission of the relevant Veterinary Commission. Such Designated Treatment Boxes will be available when the stables are open and are subject to monitoring according to the Veterinary Regulations.

11.2 Farriery Services

**Games Farrier Coordinator:**

American Association of Professional Farriers Inc. and  
International Association of Professional Farriers Inc. (AAPF/IAPF)  
PO Box 223661  
West Palm Beach, FL 33422

A farrier will be available on the venue from the day the first horse arrives at the venue through the day the final horse leaves the venue. A forge and equipment will also be available for the NF farriers’ use. Farrier stations will be located adjacent to stabling areas.

11.3 Veterinary Examinations, Horse Inspections, and Passport Controls

Horse passports will be taken upon arrival during the Examination on Arrival and will be held by the OC while the horse is on the venue. Horse passports will be returned upon the horse's departure from the venue.

Veterinary Examinations, Horse Inspections, and Passport Controls will be carried out in accordance with FEI Veterinary Regulations and the discipline-specific regulations. On arrival at a Games venue all Horses must undergo the Examination on Arrival by a veterinarian under the supervision of a member of the Veterinary Commission to confirm their identification from their passport, their vaccination status and general health. To protect all Horses attending events, any Horse with a questionable health status, with regards to vaccination, disease or other concerns, must be stabled within the isolation facilities provided by the Organising Committee pending a decision on entering the venue.
11.4 Horse Inspections (2018 Veterinary Regulations Articles 1034 – 1042)

All Horses will be assessed for their fitness to compete during the Horse Inspection. Any Horse demonstrating questionable fitness may be referred to the Holding Box for further veterinary examination. Horses deemed not fit to compete will not be accepted by the Inspection Panel and therefore not be permitted to continue in the competition.

First Round
The starting order in the first round of the second Competition will be determined by a new draw in accordance with the same procedure as provided for the first Competition.

Second Round
The individuals among the 60 best placed Athletes (plus those tied for 60th place) following the first Competition and the first round of the second Competition will compete in the second round before the 10 best placed teams and those with equality of Penalties for the 10th place begin their second round. The starting order for those qualified to participate as individuals in the second round is according to the reverse order of total Penalties incurred in the first Competition and the first round of the second Competition. In case of Athletes with equality of Penalties, the Score (time) of the first Competition will decide their starting order.

The starting order of the 10 best placed teams and those teams with equality of Penalties for 10th place in the second round is according to the reverse order of the total Penalties of the best three Athletes per team incurred in the first Competition and of the best three Athletes per team in the first round of the second Competition. In case of equality of total Penalties teams retain the same starting order as in the first round.

In addition to the Team classification there will be an individual classification with prizes for the Second Competition.

APPENDIX 1 – FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

Chefs d’Equipe are required to submit the signed copies of the Code of Conduct to the National Federations Desk upon arrival.

THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI’s Code of Conduct for the Welfare of the Horse and to acknowledge and accept that at all times the welfare of the Horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition Horses, welfare must take precedence over all other demands. This includes good Horse management, training methods, farriery and tack, and transportation.
2. Horse and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and misuse of aids.
3. Events must not prejudice Horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the Horse for onward travel after the event.
4. Every effort must be made to ensure that Horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their area of expertise.

The long version of this Code can be obtained from the FEI’s website: www.fei.org.

I hereby state unequivocally that in consideration for authorization to compete in the FEI World Equestrian Games™ 2018 Tryon (“Games”): I AGREE that my participation is voluntary and that I am fully aware and acknowledge that horse sports including the Games involve inherent dangerous risks of accident, loss, and serious bodily injury including but not limited to broken bones, head injuries, trauma, pain, suffering, social and economic loss, and/ or even death (“Harm”). I represent that I have the requisite training, coaching and abilities to safely compete in the Games and that I am in good health and proper physical condition for participation at the Games. I have read the FEI Rules about protective equipment and I understand that I am entitled to wear protective equipment without penalty, and I acknowledge that the Released Parties strongly encourage me to do so while WARNING that no protective equipment can guard against all injuries or Harm.
